Couldn't tell little jackie nothing  
Sixteen thought she knew it all  
She was searching for the love she missed (yeah)  
And so, she ran away

[Chorus]

Slow down how, your moving way to fast  
Sixteen, there's so much for you ahead  
Sweet sixteen, do you know where your running too

She fell in love with a man who was so fine,  
He made her promises  
She didn't stop to think if he was serious  
Until she had his baby

[Chorus]

Slow down how, your moving way to fast  
Sixteen, there's so much for you ahead  
Sweet sixteen, do you know where your going too

[Bridge]

Sixteen years,  
Sixteen prays,  
Sixteen reasons why I care  
Sixteen tears,  
Your sixteen still,  
Sweet Sixteen

I know your feeling lonely,  
Who your gonna turn to,  
feels like the world closing in, on you  
Sweet Sixteen,  
You need to cherish what you have,  
You can forgot about the past  
Now you can start all over,  
and cherish your life

[Chorus]

Slow down how, your moving way to fast  
Sixteen, there's so much to life ahead  
Sweet sixteen, do you know where your running too

Sweet sixteen, do you know where your going too

Ba Ba Ba Ba

At sixteen, do you know where your going too  
Slow down how, do you know where your going too

Sweet sixteen  
At sixteen  
(repeat till fade
