P Diddy:
What's Going On

Jermaine Dupri:
Tell Me

P Diddy:
People Dying
People Crying
Lord help us

Bono:
Mother, mother
There's too many of us crying

Gwen Stefani:
Oh, brother, brother, brother
There's far too many of you dying

Jermaine Dupri:
That's Right

Aaron Lewis:
You know we've got to find a way
To bring some understandin' here today

Nona Gaye:
Oh my father, father
We don't need to escalate

Backstreet Boys:
You see war is not the answer

Nona Gaye/Backstreet Boys:
For only love can conquer hate

Christina Aguilera:
You know we've got to find a way
To bring some lovin' here today

Britney Spears/Destiny's Child:

Barricades, can't block our way
Don't punish me with brutality

Destiny's Child:
Talk to me
So you can see

Destiny's Child/Britney Spears:
(First Chorus)
Oh what's going on
What's going on
Yeah what's going on
Ahh what's going on

Ja Rule:
What's going on in a world filled with pain
Where's the love for which we pray
What's going on
When our children can't play
Homeless can't eat
There's got to be a better way
What's going on
When we politically blind
Can't see the signs of endangered times
What's going on

Nelly Furtado:
Ah tell me
What's going on in the world today
I'd rather be dead
Than turn my head away
We gotta first world vision to complete, to lift our
Hands in the air and cry for a switch

Michael Stipe:
Father, father

P Diddy:
Father help us, come on

Michael Stipe:
Everybody thinks we're wrong

Alicia Keys:
Oh, but who are they to judge us
Together we can all be strong

P Diddy:
United we stand, United we fall

N'Sync:

Oh you know we've got to find a way

Mary J. Blige:

To bring some understanding here today

N'Sync:

Barricades can't block our way

Darren Hayes (Savage Garden):

Don't punish me with brutality

N'Sync:

Baby talk to me

So you can see

(Second chorus)

Yeah, what's going on

Hey, what's going on

Somebody tell me what's going on

I'll tell you what's goin' on-uh

Nelly:

What's going on 'cross seas

Every minute a child dies by this disease

In record numbers indeed

Got momma's crying out please

My baby hold on

My child ain't done nothing wrong

Still I want to holler

Ask them why they don't bother

Oh no, oh no

Make me turn to my father

And ask him why they all got a trapped soul

Nas:

I can feel what was bothering Marvin

Why his words forever remain

Dealing with these modern day problems

'Cause of ignorance surrounding me and my
constituents

Too many infected

Too many lives diminishing

Nobody say Protestants, Jews, Blacks, and Whites,
Latinos and Asians

Pray together

Less fight

We better unite

As genocide chemical war

And the rich and the poor

Know that God delivers a cure

Eve:

It's a shame our reality is devastating
People praying for a cure
Dying while they're waiting
Ask the Lord for the comfort and strength to face it
All the kids with dreams
Won't get the chance to chase it
Makes me sad
Think about the lives they would've had
Think about the orphan babies got no moms and dads
How can we sit back and not try to make it right
We gotta come together
We gotta fight for life

Fred Durst:

Somebody tell me what's going on
(what's going on)
We got human beings using humans for a bomb
But everyone wanna live
Don't nobody really want to die
You feeling me right
I can't be watching people die
(die)
And watching people cry
Let me break it down for a minute
If there's enough room here for you and me
There's plenty of room for some humanity

Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
Somebody tell me what's going on
(what's going on)
