Oh baby, where'd you go
I need you back with me
Oh baby, where'd you go
I need you back with me

Oh whoa whoa whoa whoa
Where'd you go
So baby please come back to me

Verse 1:

It has been 5 days
You haven't called me
Do you still want me? Still need me?
Am I on your mind?
Are you thinking of me?
Are you missin me like I miss you?
Crying constantly
Running out of reasons
Why I haven't heard from you, I'm worried
Got me doin crazy things
I can't even sleep
Gotta get you back to me

Chorus:

Where'd you go?
I don't know,
I know that I need you in this heart of mine
So baby please, come back to me,
I know that I cant live my life without you
Where'd you go?
I don't know,
I know that I need you in this heart of mine
So baby please, come back to me,
I know I cant live my life without you

Verse 2:

Thinking of everything that you told me
Said you'd never leave me, deceive me
Got my mind thrown off
Did you just use me?
Boy you confuse me, don't lose me

I cant deal with all the pain and hell you put me through
Cause I'm still missin you, i wanna be with you
Without you here I'm breakin down inside
Oh baby tell me why, why did you hurt me

Chorus

Whoa whoa whoa whoa whoa whoa whoa whoa whoa
whoa
Whoa whoa whoa whoa whoa whoa whoa whoa whoa
whoa
Destiny's Child, help me out
It's my destiny to have you here with me
It's my destiny to have you here with me
It's my destiny to have you here with me
It's my destiny to have you here with me...

Chorus
