Master P: Destiny you wanna' be with me  
Holler it if you hear me  
Ugh  
(x4)

Chorus I: Do you ever wonder when he  
Don't come home who he goes to see  
And why in the middle of the night  
He leaves you alone  
'Cause everything he likes is with me

If I was in your shoes  
I would have had to let him go  
From the first sign of him tryin' to play  
If he wants me to stay  
You gotta' let all that go  
You wanna' stick around  
Not believin' what you see  
Why you waitin'  
Thinkin' everything's gonna' be okay  
I got him right here with me

Chorus II: Do you ever wonder when he  
Don't come home who he goes to see  
And why in the middle of the night  
He leaves you alone  
Leaves you alone  
He's with me  
Do you ever wonder when he  
Don't come home who he goes to see  
Why in the middle of the night  
He leaves you alone  
'Cause everything he likes is with me

I wanna' call you so bad  
And tell how you expect to mistreat him  
And he still be with you  
No no no no no  
That's why he's here with me  
I don't care what you say  
You can't play with destiny

As far as I know  
He's in good hands  
So you can stop callin' around  
Sayin' "Have you seen my man?"  
Ain't no need for fuss and fight  
Tryin' to make it right  
Certain things ain't meant to be  
And that's why that's why  
He's right here with me

Master P: Be right here if you're  
'Bout it 'bout it  
Master P and Destiny gonna' get  
Rowdy Rowdy  
Holler it if your hear me  
Ugh  
All it takes is a beep to get near me  
And mama always told me  
I can tell a real girl  
By the way that she hold me  
I every night from the Jeep  
But tonight girl  
It's gonna' be you and me  
Thugged out with more (???) champagne  
I need strong bearin'  
She's callin' my name  
Howl it  
She'd never leave me  
And if you really wanna' be with me  
Hug me and squeeze me  
Real killers like to ride  
So jump it  
I'm callin' this from  
Front back side to side  
You be precious like a flower  
And if you real girl  
It ain't all about the (jza)?  
But never mix business with pleasure  
You really want me  
Prove to me  
That you'd die for whatever  
Put on your soldier gear  
Let's ride tonight  
Thug love  
Bubble bap it  
Ain't no limit tonight  
Girl if you wanna' be with me  
if you wanna' be with me  
Tell me you wanna' be with me  
If you wanna' be with me

Chorus II (x6)
