Song By LATA MANGESHKAR

ched yu karti hai duniya tere naam ke saath  
hans ke leti hai mera naam tere naam ke saath

kar ke badnaam meri neenden haraam  
kaha chala gaya tu kaha chala gaya

karne ko baaten karu tujh se khayaalon mein  
phir bhi na maane dil to kya karu  
kab tak bhigoya karu ashkon se palkein  
kab tak judaai mein aahen bharu  
jab se hui shaam mujhe rone se kaam  
kaha chala gaya ...

bhatke nazar meri ban mein chaman mein  
chain main dil ka kahi bhi paau na  
dil mein bhadak chale shole judaai ke  
haay inhi mein kahi jal jaau na  
ho na badnaam kahi tera hi naam  
kahaan chala gaya ...
