Caution are a family man  
attending to business  
his best he can  
Mrs. Missadventurer say  
check for one million in the post today  
in like a dream come true  
only ourselves to please  
we then can hold on to  
these precious things

We are not rich  
we are not poor  
we never stand tall  
on what we know  
and every day  
will mean the same  
to those we love  
we raise our voice

Irish whisky and a table for two  
on troublesome occassion  
the best thing to do  
take advantage of myself and my time  
I don't give up easily  
what is rightly mine

We are not rich  
we are not poor  
we never stand tall  
on what we know

Caution are a family man  
attending to business  
his best he can  
Mrs. Missadventurer say  
check for one million in the post today

Caution are a family man  
protecting his interest  
his best he can  
Mrs. Missadventurer say

he will buy his wealthy in the world today  
in like a dream come true  
only ourselves to please  
and I can hold on to  
these precious things

We are not rich  
we are not poor  
we never stand tall  
on what we know  
and every day  
will mean the same  
to those we love  
we raise our voice
