{Tiffanie}(Tyler Johnson) chorus:

Rainbow shining over me
Make my wish come true
(That's when I knew that)
Somewhere over the rainbow
There'd be a place for you and me babe

Tyler:

I met this girl and she made my heart stop
It was at a club I thought she woulda dropped
She was sittin by herself thought I'd pull her up to
dance
I never thought that this girl could make me find
romance
I looked at her like I never looked at any other girl
It was true she gave a different twist to my whole world

{Tiffanie}(Tyler) chorus:

Rainbow shining over me
Make my wish come true
(That's when I knew that)
Somewhere over the rainbow
There'd be a place for you and me babe

Tyler:

I brought her to meet the family
She liked them and they liked her too
My cousins is like "Is she gon be the one"
I'm like "I don't know cuz"
And then I looked over to her and saw her smilin back
at me
I felt a change it's like I'm out of the game
Tired of being the one with no love and just frontin
But no more never me
This is the new Tyler

{Tiffanie}(Tyler) chorus:

Rainbow shining over me
Make my wish come true
(That's when I knew that)
Somewhere over the rainbow

There'd be a place for you and me babe

Tiffanie:

Tyler, boy you are special
Never met one quite like you
Baby, can't live without you
You're the moon and stars to me

{Tiffanie}(Tyler) chorus:

Rainbow shining over me
Make my wish come true
(That's when I knew that)
Somewhere over the rainbow
There'd be a place for you and me babe
