since u got someone  
u had been rude to me  
never picked up my calls  
like i had become ur enemy  
that's day u spoke to me  
like we are in relationship that never ends  
a good friend that's all tried to be  
and that's all i want to be  
never goona come between u and he  
baby try to understand and be  
kind to me

i swear to god  
never goona broke ur heart  
never goona come between ur love

ur early morning messages  
makes me fresh  
now no calls from u comes to my phone  
like u have left me here alone

i swear to god  
never goona broke ur heart  
never goona come between ur love  
i swear to god  
never goona broke ur heart  
never goona come between ur love

yeah i used to be good kid  
and i m still  
i always write the words,whaT THAT i fell  
don't make me feel bad  
don't make me feel sad  
i am saying sorry all i the time  
even there is no mistakes of mine  
u may goona say boy that days are gone  
and all things are forgotten  
but how can i forget coz about u  
i had wrote a song  
and u still speaks to my mind

i swear to god  
never goona broke ur heart  
never goona come between ur love  
i swear to god  
never goona broke ur heart  
never goona come between ur love

i swear to god  
never goona broke ur heart  
never goona come between ur love
