I, I wanna love ya  
I, I wanna love ya

Baby ever since I found you seem's like  
Every day I've been happy  
Said the way that you love me turns me out  
I can feel my heart beat  
Seem's like lately I've been thinkin', feelin' that you are  
everything  
Seem's like more and more I'm hopin'  
That you will be all I need, all I need

Chorus  
All I need, all I need, all I need is you  
Baby you're everything, everything, everything baby  
you  
All I need, all I need, all I need is you  
Baby you're everything, everything, everything that's  
you

Baby it's that way you do me  
Keepin' me straight up strung out on ya lovin'  
Baby it's so amazin'  
Never dreamed I'd be cravin' to be open  
Never knew love could be alive  
Swear I always thought it was a joke and  
Didn't know and now I realize real love  
Now baby I'm hopin' that you

Stay right here with me  
Givin' me all, givin' me all  
All the love I need  
Baby you're all, all I need

Chorus

I don't want nobody but you  
I don't need nobody but you  
Said I don't want nobody but you  
Cuz I don't love nobody but you

I, I wanna love ya (yes I do)  
I, I wanna love ya (can I love you?)  
I, I wanna love ya  
I, I wanna love ya

Chorus
