She took to the sky  
She was the thing that wouldn't die  
She never returned  
They lit a fire, but she wouldn't burn

And she could hear them clamor  
And pump their fists up at her  
And she could hear them holler  
Who do you think you are you're just a

She saw them rage  
Rage in their own miserable cage

And she could hear them clamor  
And pump their fists up at her  
And she could hear them holler  
Who do you think you are you're just a

Bad seed

She took to the sky  
She was the thing that would not die  
She never come down into their hole  
Hole in the ground

And she could hear them clamor  
And pump their fists up at her  
And she could hear them holler  
Who do you think you are you're just a

Bad seed
