My blue horizons have turned to black and  
My greatest triumphs are at my back or so I think  
I couldn't find my shoes today so I thought  
I'd just stay inside and that's okay 'cause I hurt my leg

Oh my god  
I don't know what I'm doing here and  
Oh my god  
I worry when someone gets near me

And I know that I wish that I were somewhere else  
I know that I wish that I were not myself  
But, oh god oh god  
I'll skip over the small details Ignore the sound of coffin  
nails

My phone has a dusty history 'cause  
No one makes a call to me so I don't call them

Oh my god  
Everything is so outdated  
Oh my god  
Everything's so overstated

I know that I wish that I were far away  
I know that I wish that it were yesterday  
But, oh god oh god  
I'll skip over the small details Ignore the sound of coffin  
nails

Now everyone's gone gone gone  
I'm all on my own  
But at night every night  
I dream that I'm not alone

I don't know why my mind is black and I'm not  
So sure where my thoughts have sank to but it's no big  
deal

On my god  
I'm staring into empty space  
Oh my god

Your presence just deserts this place

I know that I wish that I were far away

I know that I wish that it were yesterday

But, oh god oh god

I'll skip over the small details Ignore the sound of coffin  
nails
