You say you kinda freaky

why you wanna tease me  
over talkin it

cuz you talk a good game yea  
I'm sittin here waitin  
so don't jus sit there and stare.

-HOOK-

Talk don't get you no where  
come on baby take it if you want it  
shhhh  
Talk don't get you nothing  
so quit talkin and just work it

-CHORUS- 2x

Do what you came to do  
cuz you know that I'm gon  
work this thang on you  
(talk don't get you nothin)

Why you actin scared now  
you know you want it  
you wanted to do this  
so now lets go all out

are you givin up now?  
It aint over till its over  
or somebody gets laid out.

-HOOK-

-CHORUS-2X

-RAP 2-

Yo we at the crib now

I hear you talkin with the jazz in the background  
put the smack down  
how you act now

jus hold me give me a kiss  
can you back it up before you talk that ish

-CHORUS- 2X
