Verse 1: (Jessica)

What's up with ya
Calling me like im your girlfriend
When I just met ya, the other night
Boy it's not, a good look for you

Hook:

Slow it down, Let it go
Do you, don't push up
Too hard, If you just
Do you, Do you
I would, more than likely
Want to, Even more
So what are you, so what are you speeding for
Be cool, Be cool

Chorus: Adrienne (3LW)

You've got to know when to (Fall back)
Maybe somebody would (Call back)
Im not tryna act like im (All that)
But I like a challenge
If you make me wanna (Call you)
One day im gonna (Fall through)
So my question for you is(Are you)
Up for the challenge?

Verse 2: Keily

Doin too much blowin me up
All these messages
There's nothing sexy bout that
Ya haven't given me chance to hit you back
Cause you keep callin

Slow it down, Let it go
Do you, don't push up
Too hard, If you just
Do you, Do you
I would, more than likely
Want to, Even more
So what are you, so what are you speeding for

Be cool, Be cool

I wouldnt've given you my number

If I didn't want you to call

The first few times are cute

But then after that you started to turn me off

Started turnin me off

That is why I
