Oh...

Hey, naughty

Oh, where's my kitty cat, where's my kitty cat
Welcome to our party, sexy lookin' shorties
Written on your kitten, lickin' long from my bacardi
Rubbin on my baldy, kiss and twist your body
That's the damn doctor that do that song
While ooh-wah, ooh-wah, how i do that so long
On the DL real, baby, swell a love crazy
DJ rewind that Naughty with 3L-Dub, baby
I move simple just to soothe me to gentle
I give you mother, mmm-mmm, goose pimples (goose
pimples)
Ain't the last brother past lover
I'll be the basterd of the year, you know that cares
About your back, brother
N-A-U-G-H-T-Y B-Y Nature, not 'cause I hate you
Master of the mattress, flip and fall backwards
One kiss on your cheek will make you back flip the
Jacket

(chorus)

It feels good to you(good to you)
Let me see how you rock with it(rock with it)
Grab the beat, baby, drop with it(drop with it)
And don't worry 'bout a damn thang(don't worry 'bout a
Damn thang)

It feels good to you(good to you)
Let me see how you rock with it(rock with it)
Do your thang come close with it(come close with it)
And don't worry 'bout a damn thang(don't worry 'bout a
Damn thang)

Feels good

Naughty, Naughty

Hey

Ever since back in the day

To old O.P.P down to Hip-Hop Hooray
Who invented party anthems to ease stress away
You got drama, nevermind that
Naughty by Nature, 3L-dub on star track
We got the flavor, make your hands clap, toes tap
And cross a culture and generation age gap
Never can you fade that
We make your body like rock to this
Everybody's block party gonna wop to this
So to the family here's another one and all those
Haters ain't thinkin' we still havin' fun, better throw
Your towel in, son
How many years have we proved we could do this
How many people we inspired to pursue this
Well, if you wanna test the man, the truth is
Naughty by Nature makes that feel good music

(chorus)

Feels good

Dang, dang, I don't wanna go
The party ain't a party if it ain't naughty
I need a party that's naughty
Oh lawdy, it's iicon to naughty
It's groove move more of us hate, come on tour
With us
If everybody smiles it makes the whole day glorious
Slide left, Slide right
Throw your hands high, I know that's right
The I strong, we ride strong, double icons
Born to stop hurtin', better let bygons be
Bygons
Slide left, slide right
Don't just bide out, why you lettin me find out
Ooh-wah, ooh-wah, outdoor indoor
Hey-yo, drop the keys out the window
We got the Marley with my yardies we partyin'
Cuz, After the party, it's the afterparty

(chorus)

Feels good

Feels good, feels good, baby clap your hands
Feels good, feels good, baby clap your hands
Feels good, feels good, baby clap your hands
Feels good, feels good, baby clap your hands

(chorus til end)
