Funny how, love feels  
Funny how, love can be  
Funny how, love feels  
Feels

I didn't know til today  
I could get hurt so easily  
But now I realize  
(it's time that you say goodbye)  
And I almost cried  
Why must you go  
Can't you stay  
I wish you could be here everyday  
Holdin me close to you  
(we both know it don't feel right)  
To say goodbye

Chorus:  
Ain't it funny how  
Love can bring you down  
Cause you know somethings wrong yeah  
Then you turn around  
Suddenly you found  
That your love keeps you strong  
So you can hold on

Funny how love can be so wrong so wrong  
Funny how love can be, can be so right

I didn't think about it much  
I didn't know the meaning of  
Giving my heart away  
(hoping someday you'd say)  
You feel the same oh  
And now I know that love is true  
And I don't wanna be here without you  
Whenever you're near or far  
(close my eyes there you are)  
Right here in my heart

(It's kinda funny how now when I get down)

Feel like you can't go on  
(then you turn around, suddenly you found)  
That your love keeps you strong so you can go on

Funny how love can be so wrong so wrong sometimes  
Funny how love can be so right so right  
Funny how love can be so wrong so wrong sometimes  
Funny how love can be so right

Its hard to understand love sometimes  
It can hurt you, and sometimes it can feel so right

Funny how love can be so wrong so wrong sometimes  
Funny how love can be so right  
Funny how love can be so wrong so wrong sometimes  
Funny how love can be, can be so right  
Funny how love can be so wrong so wrong sometimes  
Funny how love can be, can be so right

Funny how, love feels  
Funny how, love can be  
Funny how, love feels  
Feels

Funny funny funny funny

Funny how, love feels  
Funny how, love can be  
Funny how, love feels  
Feels

How love makes your feel crazy

Funny how, love feels  
Funny how, love can be  
Funny how, love feels  
Feels
