UH OH (Kiely) 3-L-Dub baby
We got another one
Nine Lives

It was the wrong day the wrong month the wrong year
I wasn't ready
For all the pain all and the tears
Baby you crushed me
Now I have to deal in the worst piece
You had to go and take it there

[Chorus]
Now I'm all alone
Knew I should've took my ass home
Times when you was putting it on me
You was putting it on me

I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about it
Don't wanna be in love

I just hate you for it
Hate you for making me fall in love
And there's nothing I can do about it
So blue about it
Don't wanna be in love

Thought I could change you
And turn you into a good man
Thought my love was born
And things would go as I planned
But what a fool I was
You was still was hitting your ex-girlfriend (That's right)
I had be out you understand

[Chorus]

(Wish that) Wish that things was different babe
Wish that you would love me

The way that I love you boy (Way that I love you)
Can't believe (Can't believe) you hurt me babe
Hurt me this way
I hate to love you can't let go

[Chorus]
