[Verse 1]

Everyday always happens to me
Stuck here in this traffic jam
Accident on the side of the road
It's making me late again
No spaces in the parking lot
Had to leave it in the (city)-red zone
Couldn't had been more than a minute or 2
Came back and the car was towed

[B*Verse]

Everytime i go crazy
When i found little things get me mad
Then i stop and look around and realize
My life ain't so bad

[Chorus]

Had no new shoes can't complain
Untill i met a man with no feet
Thought i had nobody to make my house a home
Untill i saw a family living on the street
I was shattered when you broke my heart
But atleast i got a heart to beat
Now i finally realize
it's not all about me

[Verse 2]

(Got crowded by an old) girlfriend
Who kissed her kids and waved goodbye
She had a real bad habit off taking a sip
Before she put the car in drive
Now she's gone and XXXXX
nothing left to say but why
I didn't know it was her wreck i was
impatiently trying to get by

[B*Verse]

Everytime i go crazy
When i found little things get me mad
i stop and look around and realize
My life ain't so bad

[Chorus]

Had no new shoes can't complain
Untill i met a man with no feet
Thought i had nobody to make my house a home
Untill i saw a family living on the street
I was shattered when you broke my heart
But atleast i got a heart to beat
Now i finally realize
it's not all about me

[Bridge]

The world won't stop revolving
If i'm having a real bad day
sick of feeling sorry
join the rain on my parade
Cause no matter how hard it?s
somebodys' always got it worst
I can't forget i'm only one of five billion stories living on
this earth

[Chorus 2x]

Had no new shoes can't complain
Till i met a man with no feet
Thought i had nobody to make my house a home
Till i saw a family living on the street
I was shattered when you broke my heart
But atleast i got a heart to beat
Now i finally realize
That it's not all about me
