[Nick Cannon:]
Peace Out

[3lw, (Lil' Romeo):]
Romeo (Parents Just Don't Understand)
Double That

[Nick Cannon:]
Peace Out

[Lil' Romeo:]
You know parents are the same no matter time nor
place
They don't understand that us kids are gonna make
some mistakes
So to you, all the kids all across the land
There's no need to argue, parents just don't
understand

[3lw:]
Nah, Nah
They don't understand
They ain't gonna get it
No, no, if you feel me
Feel me, feel me, feel me

[Nick Cannon:]
Peace Out

[Lil' Romeo:]
I remember one year
My mom took me school shopping
It was me, my brother, my mom, oh, my pop, and my
little sister
All hopped in the car
We headed downtown to the Gallery Mall
My mom started bugging with the clothes she chose
I didn't say nothing at first
I just turned up my nose
She said, "What's wrong? This shirt cost \$50"
I said, "This shirt is whack and it's not worth this

dollar!"

The next half hour was the same old thing

My mother buying me clothes from 1993

And then she lost her mind and did the ultimate

I asked her for Asissant and she bought me Skips!

I said, "Mom, what are you doing, you're ruining my rep"

She said, "You're only a kid, you don't have a rep yet"

So to you all the kids all across the land

There's no need to argue

Parents just don't understand

[3lw:]

[Chorus]

Nah, Nah

They don't understand

They ain't gonna get it

No, no, if you feel me

Holla all you kids all across the land

Nah, Nah

They don't understand

They ain't gonna get it

No, no, if you feel me

Holla all you kids all across the land

[Nick Cannon & 3lw:]

Peace out

Oh-kay, here's the situation

My mom's bounced out for a week's vacation and

She left the keys to the 5 double-o

Gee, mom

Well, how's she gonna know

I'll just give the Benz a little spin

And see what it looks like with 20 inch rims

Then I be the man in my neighborhood

Well, maybe I shouldn't

Yeah, of course I should

Payin' attention, 'cause the plot is hot

Yo, I pulled the whip up to the end of my block

That's when I saw this dime piece starin' at my grill

My diamond rings glaring from the steering wheel

Then she tried to pretend like she ain't noticed Nick

So I blow a kiss like I know this chic

She said, "Was that for me?"

I said, "Yeah, you know it hun. Come take a ride with the young Billy B. William."

She said, "How do I know you're not sick?"

You could be some kind of lunatic"

"Uh, c'mon sugar, it's Nick for Nick, besides would a lunatic push a whip like this?"

[Chorus]

[3lw & Nick Cannon:]

I agree that we were on our way
He was lookin real real good so we brought a Mustang
Who's car is this?
I'm a little curious
So I smashed on the gas
Fast and furious
Wasn't impressed with the way he burned rubber
The car phone rang
"Yo, who is it?"
"Your mother"
On the phone wielin', the way my mom sounded
There was no way to avoid being grounded
I can't believe it
I just made a mistake
Well, parents are the same no matter time or place
So to all you kids
Across the land
Take it from me
Parents just don't understand

[Chorus (Repeat to Fade)]
