[Verse 1:]

Christmas time is when night comes and snow falls  
The season's filled with cheer  
Are the children home rushing off to bed?  
Cause Santa will be here  
You better be ready when Santa comes  
So spread the love and joy  
I hope you're ready when Santa comes  
Christmas time is here

[Chorus:]

He's coming tonight tonight  
Santa's on his way  
Rollin through your roof with goodies on his sleigh  
He's comin tonight tonight  
I hope you all been good  
Santa's on his way  
Rollin through the neighborhood

[Verse 2:]

I can't wait till Santa's here  
I can't wait  
I got my stocking hung by the fireplace  
I was good throughout the year  
You better be ready when Santa comes  
So spread your love and joy  
I hope you're ready when Santa comes  
Christmas time is here

[Verse 3:]

Sleigh bells ring are you listening?  
Santa's comin soon because it's Christmas  
He knows if you been good or bad, happy or sad  
So be good for goodness sake  
You better not pout  
You better not cry  
You better not shout  
I'm telling you why  
Santa Claus is coming  
Santa Claus is coming to town
