Oh No

Yeaaah

Ooooh

Cuz the boys look so good
But their minds are not ready (Oh No)
I know their young but
I need a man not a grown boy (Noo)

Jessica:

I met a guy the other day
I think he was my age
He looked like he had it goin' on
(So we chatted it up for a minute then I gave him all my
digits)
He hit me up and wanted to take me out on a date
I shoulda known when I picked him up
(Cuz I scooped him in my ride and his boy jumped in
the back passenger side yeah)
He had me take them here and take them there
We ended up back at his crib
Where Madden Football got more play on is PS2 then I
did

Chorus:

Cuz the boys look so good
But their minds are not ready (Oh No)
I know their young but
I need a man not a grown boy (Noo) (Not a grown boy)

Cuz the boys look so good
But their minds are not ready (Just not ready)(Oh No)
I been runnin' into all these guys
But the game they spit to me
Seems so young, so good
so young, so good, so young, young

Adrienne:

The next guy had a pretty truck
And he picked me and then we went out to eat

(But when the check came he just looked at me, don't expect to loot from me)
I was pissed cuz I had to pay, for me and my date
I never called him back again
(All he talked about was him, his clothes, his kicks, his ride and his rims yeaah)
Cuz he looked so hot, I can't even knock it
He was fine, physically
He had a nice truck when the wheels kept spinnin'
But his looks didn't match his mentality

Cuz the Boys
Cuz the boys look so good
But their minds are not ready (Oh No) (Oh no no no)
I know their young but (young but)
I need a man not a grown boy (Noo) (Not a grown boy)

Cuz the boys look so good
But their minds are not ready (Oh No)
I been runnin' into all these guys
But the game they spit to me
Seems so young, so good (goood)
so young, so good, so young, young

so young, so good, so young, young

The boys
Cuz the boys look so good
But their minds are not ready (Oh No) (Oh no no no)
I know their young but (young but)
I need a man not a grown boy (Noo) (Not a grown boy)

Cuz the boys look so good
But their minds are not ready (Oh No)
I been runnin' into all these guys
But the game they spit to me
Seems so young, so good (goood)
so young, so good, so young, young

Cuz the boys look so good
But their minds are not ready (Oh No) (Oh no no no)
I know their young but (young but)
I need a man not a grown boy (Noo) (Not a grown boy)

The boys look so good
But their minds are not ready (Oh No)
I been runnin' into all these guys
But the game they spit to me
Seems so young, so good (goood)
so young, so good, so young, young
