[Verse 1:]

I'm feelin what you got  
Boy you hot  
I wanna put a lock on you  
I wanna get my hands on you  
With Christmas around the block  
See I'm not  
Not trying too late to do  
All my Christmas shoppin baby

[Hook:]

So tell you what  
I wanna take you home for Christmas  
I wanna wrap you up  
So when I get up  
I can open up to you  
So say the word  
I wanna take you home for Christmas  
You're enough  
I wanna touch  
I wanna take you home for Christmas

[Verse 2:]

I know you likin what you're eyes are checkin  
So come on, can you let me do  
What I wanna do with you?  
Got ribbon in my hand  
So chill boy  
Turn around and be a man  
I'm not gon make the bow too tight  
Cause that don't fit with my plans

[Repeat Hook]

[Bridge:]

You lookin like the gift that Santa made for me  
I'm in the mood to have you right next to me  
So Christmas Eve, I want you under the tree  
I'm not gon lie to you  
You got me in a mood

[Hook Out]
