Oohh ooh yeaah yeaahh

No more lonley nights , baby thats just what you told
me
But you know were to be found.
Something just aint right, cuz I cant get you to hold me
Even when youre around

Baby you promise me that you always be there for me
Tell me whats on your mind

What happed to you I love you
Our hous and kisses in the rendesvouz
What happed to me and you
You said you never changed
What happend baby talk to me
You jused to be sucker sweet just like candey
Now youre breaking my heard whit al youre broken
promises

Oohh ohhw yeah yeahh

Broken promises oohh yeahh Broken promises

Open up youre eyes
Baby thats what people tell me
Nut its hard to let you go
I can take youre lies
Its been a time whit somebodyelse
Baby got to let me know

Baby you promise me
That you never run a game on me
Tell me whats on youre mind

What happed to you I love you
Our hous and kisses in the rendesvouz
What happed to me and you
You said you never changed
What happened baby talk to me
You jused to be sucker sweet just like candey

Now you're breaking my heart
while you're broken
promises

Say you gonna do this
Say you gonna do that
But you never come through

What happened to you I love you
Our hugs and kisses in the rendezvous
What happened to me and you
You said you never changed
What happened baby talk to me
You used to be so sweet just like candy
Now you're breaking my heart
while you're broken
promises
