Can I talk 2 you, cause I wanna rock with you, Oooh, can
I roll wit you

Maybe we can take a minute or two, just to kick it for a
few

What you wanna do, tell me what you wanna do, I really
wanna Know you

Watchin you as you move on the dance floor, Oooh
ooh,

Somethin about the way you do, what you do

Got me wantin to see more of you, the smile on your
face

Can we hook up after we leave this place

Wassup for the night boo, can I talk 2 U, Oooh

[Chorus]

I don't normally push like this

But I'm feelin what I'm seeing, and I can't resist it

Something drawing me more, into you

(Adrienne) you don't, want to figure it

I see it in your eyes, you can't deny it

I really wanna know can I talk 2 U, Ooh oh

[Chorus]

Maybe it's the, way you move that thang

Maybe it's your smile that's drivin' me insane

I didn't mean to offend you

I'm just interested in you, I wanna get 2 know U

Can I talk 2 u, I really wanna know you

[Chorus]
