Neva Get Enuf- 3LW (A Girl Can Mack)

-LIL WAYNE-

Listen,
I'm way better than that chump
Sorry 'Cuz I let it get a stuff
Cuz shes shiftin' with a brotha
Who could neva get enuf of 'er
I'd go tuff fo' her
Could neva do enuf fo' her
Mad love fo' her
Mad thoughts of her
Days and Days again
And I'm like
"Rocky where's my Adrienne?"
Now Holla Back hear me
Sweethearts bounce if ya feel me
Little Women love fill me
Neva get Enuf

-3LW-

Why
Every time I meet a guy
He wants to try
To get my mathamatics
By tonight
He wants to take me home
He's outta his mind
Will I ever find meet someone for me?

He's gotta be the one
I'm day dreamin to spend my time with
Hes gotta be the one
With strings attached and that's my man
To all, My girls
That dream, know what I'm talkin' bout
The ones, That Makes,
Us cling to the thoughts of love
Hes so fresh, (so fresh)So clean, (so clean)

'Cuz I call, and he calls me too
That's why, He's at my place
He's phat, I could neva get enuf

I
I'm so glad I came across this kinda guy
He didn't ask me for my number
I thought why
Then when I got the chance to know
He's gentle inside
Now he's the one
Who's got me hopin' why

He's gotta be the one
I'm day dreamin to spend my time with
Hes gotta be the one
With no chicks attached and that's my man
To all, My girls
That dream, know what I'm talkin' bout
The ones, That Makes,
Us cling to the thoughts of love
Hes so fresh, (so fresh)So clean, (so clean)
'Cuz I call, and he calls me too
That's why, He's at my place
He's phat, I could neva get enuf

-LIL WAYNE-

I stop to holla
Not to botha
If you busy I wait
Out for hours
Ima stick my weight
Out on the wait act
For Hours
What you know about bein hott
For hours, and not from showers (shh)
Not yet though, how bout some flowers
How bout we hop out the wild one
Nock out loves
I could make your problem's easy
Stop the jabbin and labbin
this is weazy you know what I'm talkN bout

To all, My girls
That dream, know what I'm talkin' bout
The ones, That Makes,
Us cling to the thoughts of love
Hes so fresh, (so fresh)So clean, (so clean)
'Cuz I call, and he calls me too
That's why, He's at my place

He's phat, I could neva get enuf
