(feat. Jermaine Dupri)

[Intro (Jermaine Dupri)]

Uh

Uh

Y'all know what this is

So So Def

[Adrienne (Jessica)]

You're the Heart of me

(Had to tell ya a lil)

Baby pardon me

(If I sweat ya a lil)

It's just the effect you have

I don't quite understand myself but

I ain't worried about it

(Cuz I see it in you)

No I ain't worried about it

(I see you feelin' it too)

I just wanted to put it on yo mind

I think that you're one of a kind

And I know it cause I ...

[Chorus (3LW & Jermaine Dupri) {Adrienne}]

I done have others in me life that I like but

I ain't feel it like I'm feelin' you {oh nana nana nana}

Everytime we talk, everytime we touch

I get a rush cuz I can tell

You're really feelin' me too {oh nana nana nana}

And it's real, it's real {so real}

I think I found somebody who really cares

Who cares {who cares}

Who gave me everything in my life {my life, my life,
my life}

I wanna share the ways

I never thought cuz

I'm really really feelin' you

[Kiely (Jessica)]

You really got a way that I just can't deny

(You be on my mind from night to sunrise)

And even of I tried to fake it (fake it)

I know I'll never shake it (shake it)
You got a kiss that make me flip it
Now I never trade it (trade it)
24/7, three sixty-five
(Ya love to stay fly, ya love to stay right)
Forever and ever I need ya
I never knew never would find a nigga better
Oh, I've been meanin' to tell ya

[Jessica (Jermaine Dupri)]

It's the way you look that's so irresistible (I-uh-uh-uh I
feel the same girl)
And it's the way you touch me that's so incredible (I-uh-
uh-uh I feel the same girl)

There's no other, you are my lover
From beginning to end, I'll say it again
Forever and ever I need ya
I never knew never would find a nigga better
Oh, I've been meanin' to tell ya

[Chorus (3LW & Jermaine Dupri) {Adrienne}]

I done have others in me life that I like but {yeah}
I ain't feel it like I'm feelin' you {feelin' like I'm feelin'
you}
Everytime we talk, everytime we touch {everytime we
touch}
I get a rush cuz I can tell that
You're really feelin' me too {touch}
And it's real, it's real {so real}
I think I found somebody who really cares
Who cares (who cares)
Who gave me everything in my life {everything in my
life}
I wanna share the ways
I never thought cuz
I'm really really feelin' you

[Rap (Jermaine Dupri)]

Now baby you know how hard it is
Tryna find the right one
I done had others in my life
But you're like none
I love yo whole style, physique
You're so sweet, petite
Type of girl I let hold my jeep
My parkin' lot pimpin', slow up
Tell 'em girls, hold up
Me and you, no luck
I got it girl, sho' nuff
And I feel like I'm gettin' it bad

Cuz I ain't felt like this
Since I was a lad
My whole mood, when I'm around you, change
I keep ya around new thangs
I pull up and ya brow do raise
You're the shawty I was lookin' fo
One I had to push up on
Singled you out in ya crew, true
And errthin I do is fo' you
The love ya give me in bundles
Is the same way I feel fo' you
And errthin' I do is fo' you
The love ya give me in bundles
Is the same way I feel fo' you
Word

[Repeat Chorus until music fades]
