Sitting here chillin' with you (yeah)  
You're getting close boy  
But I'm playing it cool (cool)  
I must confess  
I'm feeling you (feelin' you)  
But I'm laying down some rules  
Get one thing straight  
I won't be played (no, no)  
I don't get down that way

1 - You asked me once, I told you twice  
When will you understand?  
I asked my friends for their advice  
They say "girl don't give in"  
In you and me, I believe  
But I'm torn between  
It's getting too heavy for me

Baby why you stress me  
Like that (why you wanna stress me boy?)  
Talkin' 'bout what you have done in the past (yeah)  
I don't take love so casually (mm-hmm)  
So don't put that pressure on me  
Baby just walk right out the door (right out the door)  
Cuz I've heard those lines before

Repeat 1

You're telling me this would prove that I care  
(It's getting too heavy)  
But if I waited baby, will you be there?  
Will you be there?  
There-er-er-errr

[Breakdown]

You know I like you boy  
But you gotta understand  
That I'm just not ready  
Been real with you  
But we gotta take our time (take our time)  
And I'm torn between  
I'm torn between

It's getting too heavy for me  
Repeat 1  
For me  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
Oh, oh, oh, oh  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
Oh oh, oh oh

In you and me, I believe  
But I'm torn between  
It's getting too heavy for me

It's getting too heavy  
Heavy, heavy, yeah  
Don't make me say it again  
(Ooh, ooh, ooh, ooh, ooh, ooh)  
Yeah yeah

In you and me, I believe  
But I'm torn between  
It's getting too heavy for me
