Oh, oh, yeah

It's been almost a year since we first met  
And that's the day that I'll never forget  
Got me all caught up in your web  
But I knew what was comin' next

'Cause you're the type of guy girls like to sweat  
Just so they can see how far they'll get  
Maybe, take a ride up in your 6  
And where in that picture could I fit?

Ghetto love and heartbreak  
Is always a mistake  
Trust your heart to someone  
When you think you're in love  
'Cause you think you're in love

They gon' do their own thing  
Ghetto thoughts, they don't change  
So don't give your heart away  
'Cause you think you're in love  
When you think you're in love

As the days went on, I knew  
That you were more than sexy, more than cute  
Had a little look inside your eyes  
That no girl could ever say no to

Much personality  
A living game for every girl you see  
Know just what to say and how to please  
But there's no room there for me

Ghetto love and heartbreak  
Is always a mistake  
Trust your heart to someone  
When you think you're in love  
'Cause you think you're in love

They gon' do their own thing  
Ghetto thoughts, they don't change

So don't give your heart away  
'Cause you think you're in love  
When you think you're in love

I tried so hard to believe you only wanted me  
But that was just my fantasy and you let me down  
Playin' around like you were feeling me  
But you were busy doing your thing

Ghetto love and heartbreak  
Is always a mistake  
Trust your heart to someone  
When you think you're in love  
'Cause you think you're in love

They gon' do their own thing  
Ghetto thoughts, they don't change  
So don't give your heart away  
'Cause you think you're in love  
When you think you're in love

Ghetto love and heartbreak  
Is always a mistake  
Trust your heart to someone  
When you think you're in love  
'Cause you think you're in love

They gon' do their own thing  
Ghetto thoughts, they don't change  
So don't give your heart away  
'Cause you think you're in love  
When you think you're in love

Think you're in love, then tell me now  
What's really up? Aw, oh  
If you think I'm the one, I need to know  
Don't let me down, aw, oh

Ghetto love and heartbreak  
Is always a mistake  
Trust your heart to someone  
When you think you're in love  
'Cause you think you're in love

They gon' do their own thing  
Ghetto thoughts, they don't change  
So don't give your heart away  
'Cause you think you're in love  
When you think you're in love

Ghetto love and heartbreak

Is always a mistake  
Trust your heart to someone  
When you think you're in love  
'Cause you think you're in love

They gon' do their own thing  
Ghetto thoughts, they don't change  
So don't give your heart away  
'Cause you think you're in love  
When you think you're in love
