Have yourself a merry little Christmas  
Let your heart be light  
From now on our troubles will be out of sight

Have yourself a merry little Christmas  
Make your Yuletide gay  
From now on our troubles will be miles away

Here we are as in olden days  
Happy golden days are yours

Faithful friends who are dear to us  
Gather near to us once more

Through the years we'll all be together  
If the fates allow  
Hang a shining star above the highest bow  
And have yourself a merry little Christmas now

Yeah and have yourself a merry little Christmas now  
Baby, now, now, now  
Now yeah, now
