(feat. Loon)

Yeah {Uh}, uh-huh  
Yeah, uh-huh {Uh}  
Yeah, uh-huh {Uh}  
Yeah, uh-huh {I like this}

Yeah, uh-huh {And another one}  
Yeah, uh-huh {And another one}  
Yeah, uh-huh {Bad Boy, 3LW, let's go}  
Yeah, uh-huh

Rode up in the club like what  
I got the VIP on lock down  
Then I saw you starin' at me  
The way we started to the back

You make me think that you're the one  
Lickin' your lips at me for fun  
While the DJ's makin' 'em sweat  
Won't you come step to me

If you wanna get down, baby, I do  
Holler at me, baby, oh, ohh  
If you're rollin' deep tonight  
Then I do wanna know you

But if you wanna get down, baby, it's cool  
Holler at me, baby, oh, ohh  
If your love is ridiculous  
Then I do wanna get close to you

Your ice, your gear, your sex appeal  
Your game so tight, you got me feenin'  
Wantin' you alone with me  
Is the illest fantasy

You make me feel like wylin' out  
Showin' you what it's about, yeah  
Got it goin' on uptown  
Now let me see you work it out on me

If you wanna get down, baby (I do), I do  
Holler at me (Baby), baby, uh-huh  
If you're rollin' deep tonight (Rollin' deep)  
Then I do wanna know you (I want you)

If you wanna get down, baby, it's cool  
Holler at me, baby (Holler at me, baby), uh-huh  
If your love is ridiculous  
Then I do wanna get close to you (Whoa, baby)

I see and you together, baby  
Baby, how can I just make you see  
I'm the only one you need  
So please let me know right now  
'Cause it's true ('Cause it's true), I want you (I want you)  
Say that you want me too

Come on, yeah  
Ladies and gentlemen  
I know I could make you scream like a woman'  
supposed  
to  
Seems like you wanna get closer  
Well, Boo here's the ticket, come through, we could  
kick it  
One hun' twenty, five foot two ??, my view with the  
sickest  
It's true, been convicted, I'm probably needin' a girl  
In other words, ma, I'm due for some kisses, I'm due  
for some huggin'  
And all them dudes that be buggin', I ain't with it  
I'm through the thuggin', I'm due for some lovin'  
I need a wife in my life and ma, you're lookin' like  
you're due for a husband  
I choose not to love 'em  
These chicks runnin' around actin' like straight fools  
in the public  
Let's move with the subject because I came with a  
better plot  
Just play the game and you'll never flop  
It's in your brain, you already hot  
But you ain't close to my face, so you better stop

Wanna get down, baby (Wanna get down), I do  
Holler at me, baby, oh,ohh  
If you're rollin' deep tonight (Deep tonight)  
Then I do wanna know you (Whoa...ho...)

If you wanna get down, baby, it's cool (It's cool)  
Holler at me, baby (Oh...), oh, ohh  
If your love is ridiculous

Then I do wanna get close to you

Wanna get down, baby, I do  
Holler at me, baby, oh, ohh  
If you're rollin' deep tonight  
Then I do Wanna know you

If you wanna get down, baby, it's cool  
Holler at me, baby  
If your love is ridiculous  
Then I do wanna get close to you

That's cool, don't stop  
Ah-hah  
Yeah  
Yeah  
Uh-huh, uh-huh  
I like this
