Ha ha, 3LDub baby, a girl can mack

Yo, if you don't like expensive things then you could bounce
If you don't wanna get it together, you could be out
'Cause I'm all about gettin' them things
From the truck to the house to the gear and them rings

No doubt, coulda done it but ain't no hope for you
Now I try to tell you but all you do
Is sit around it takes more than hope and a dream
I got a mean team puttin' in work to get the cream,
what

Money and hot rides, I need that
The platinum and shine, I need that
The house and the gear, I need that
I'm sayin' baby, I want that

Life can turn you in so many different directions
Then I got a mind to win, can't remember why I got with
you
I want everything but I need to stay realistic
I'm gonna live this dream from hear on out that's what
I'm about

Money and hot rides, I need that
The platinum and shine, I need that
The house and the gear, I need that
I'm sayin' baby, I want that

Money and hot rides, I need that
The platinum and shine, I need that
The house and the gear, I need that
I'm sayin' baby, I want that

Boy I feel for you, you think you have it real easy
You don't even have a clue, can't remember why I got
with you
I'm gonna do my thang, sorry if you feel rejected
You need to do the same from here on out that's what
I'm about

I need these things, you can't supply me
It's too easy for you to stop tryin', uh huh
Get on your feet, do it for yourself, let's do it
I can't stick around with shady feeling
Lil' Kim, Queen Bee, 3LW, Jackpot

Goodness gracious the papers
Where the cash at, where the stash at
Nigga pass that up the bonds and stocks
And the canary yellow D Flawless rocks

Introducin' the Lil' Kim Shepard Watch
I'm on fire 'bout to turn it up a notch
Keep ya yacht, I want ships inside my estate
With Full Force written on the license plate

Heliports and helicopters with gold propellers
Tryna have more cheese than mozzarella
I need stables, there's only one way to live
Horseback ridin' in the back of the crib

Two Indian braids like the Navaho, yippi iy ya, yippi iy
yo
Make this money, take this money
Ain't no way you gonna take this from me

Money and hot rides, I need that
The platinum and shine, I need that
The house and the gear, I need that
I'm sayin' baby, I want that

Money and hot rides, I need that
The platinum and shine, I need that
The house and the gear, I need that
I'm sayin' baby, I want that

Uh huh, I want that
If you don't want that baby, then you can't have me
baby
Don't depend on me baby, finally do ya own thing baby
Ooh, I need that, ooh, I need that, ooh

Money and hot rides, I need that

The house and the gear, I need that
I'm sayin' baby, I want that

Money and hot rides, I need that
The platinum and shine, I need that
