Hey
(Yeah)
Ehh
(What)
Hey, yeah yeah
C'mon
(C'mon)
(Here we go)

Everyday I see you
With some girlfriend, yeah
You think I could care less about it
(Care less about it)
I could keep it secret
Keep playing pretend, oh
But the way I feel you, I doubt it

No more waiting, hesitating
It's guaranteed

I'm gonna make you miss me
You're gonna wanna kiss me
I'm gonna make you miss me
All of the time

Boy, you wanna get with me
You know you can't resist me
I'm gonna make you miss me
'Til you are mine

(I say, check it out)
You're about to find out
I get what I want
Once I've made up my mind
(Made up my mind, oh)
Gonna let you see me, turning it on
That'll make you open your eyes
Your eyes

You'll be pulling, you'll be pulling
Passionately, 'cuz

I'm gonna make you miss me
(I'm gonna make you miss me)
You're gonna wanna kiss me
(Wanna kiss me)
I'm gonna make you miss me
All of the time
(All of the time)

Boy, you wanna get with me
(You wanna get with me)
You know you can't resist me
I'm gonna make you miss me
(Oh yeah)
'Til you are mine
(Til you are mine)

You've gotta know that something's up
I'll show you how I could love you
I'll turn it on
(I'll turn it on)
Then I'll be gone
(Then I'll be gone)
But only 'til you come through
And feel the way that I do, oh

I'm gonna make you love me baby
(Make you love)
(Yeah, yeah)
I wanna hear you call my name
(You'll miss me)
(Say again, say again)
Not gonna stop until you say it
(Say with me)
(Say it)
All of the
(Time)

I'm gonna make you love me baby
(Making by)
(What, what)
I wanna hear you call my name
(You'll miss me)
(Keelay)
Not gonna stop until you say it
(Say it, say it)
(Uh)
All of the
(Time)

I'm gonna make you miss me
You're gonna wanna kiss me

(You're gonna wanna kiss me)
I'm gonna make you miss me
(Oh yeah)
All of the time
(All of the time)

Boy, you wanna get with me
(Me)
You know you can't resist me
(Oh baby, baby)
I'm gonna make you miss me
(Oh yeah)
'Til you are mine
('Til you are mine)

I'm gonna make you miss me
(I'm gonna make you miss me)
You're gonna wanna kiss me
(You can't resist me)
I'm gonna make you miss me
All of the time
(You're coming back)

Boy, you wanna get with me
You know you can't resist me
I'm gonna make you miss me
(Baby baby)
'Til you are mine
('Til you are mine)

I'm gonna make you miss me
(Yeah yeah yeah yeah)
You're gonna wanna kiss me
(Yeah yeah)
I'm gonna make you miss me
(Yeah yeah yeah yeah)
All of the time

Boy, you wanna get with me
(Yeah yeah yeah yeah)
You know you can't resist me
(Yeah yeah)
I'm gonna make you miss me
'Til you are mine
