Everything always happens to me
Stuck here in this traffic jam
Accident on the side of the road
It's making me late again
No spaces in the parking lot
Had to leave it in the safety red zone
Couldn't of been more than a minute or 2
Came back and the car was towed

Everytime i go crazy
When i found little things get me mad
I then stop and look around and realize
My life ain't so bad

Had no new shoes can't complain
Until i met a man with no feet
Thought i had nobody to make my house a home
Until i saw a family living on the street
I was shattered when you broke my heart
But at least i got a heart to beat
Now i finally realize
It's not all about me

Got a call about an old girlfriend
Who kissed her kids and waved goodbye
She had a real bad habit of taking a sip
Before she put the car in drive
Now Shes Gone And Wound Up D.O.A,
Nothing left to say but why
I had no idea it was her wreck i was
impatiently trying to get by

Everytime i go crazy
When i feel the little things get me mad
i stop and look around and realize
My life ain't so bad

Had no new shoes can't complain
Until i met a man with no feet
Thought i had nobody to make my house a home
Until i saw a family living on the street
I was shattered when you broke my heart

But at least i got a heart to beat
Now i finally realize
It's not all about me

The world won't stop revolving
If I'm having a real bad day
Sick of feeling sorry
Join the rain on my parade
Cause no matter how hard it gets
Someone's always got it worst
I can't forget I'm only one of five billion stories living on
this earth

Had no new shoes can't complain
Till i met a man with no feet
Thought i had nobody to make my house a home
Till i saw a family living on the street
I was shattered when you broke my heart
But at least i got a heart to beat
Now i finally realize
That it's not all about me

Had no new shoes can't complain
Till i met a man with no feet
Thought i had nobody to make my house a home
Till i saw a family living on the street
I was shattered when you broke my heart
But at least i got a heart to beat
Now i finally realize
That it's not all about me
