I'm getting a little tired  
Of your broken promises, promises  
Lookin' at your pager  
Seein' different numbers, numbers  
Call you on your cell  
You're hangin' with the fellas, fellas  
Hangin' with my girls  
You always gettin' jealous, jealous

I was with you when  
You didn't have no dollas, no dollas  
Hangin' at the crib  
Chillin' with your momma, your momma  
Never fronted you  
Never brought the drama, the drama  
Now you flip the script  
Playa, please

No, I'm not the one  
(Say it again, say it again, oh)  
No, I'm not the one  
(You do or you don't)

You do or you don't, don't  
You will or you won't, won't  
No more  
No more, baby I'm a do right  
You can or you can't, can't  
Be a man, be a man, man  
No more  
No more, baby I'm a do right

You treat me like a lady  
When you open doors, doors  
But then you wanna front  
When you're with your boys, your boys  
How you gonna play me  
When I bought your clothes, your clothes  
The ones that you be wearin'  
When you with your hoes, your hoes

I know you never thought

That I would have the nerve, the nerve  
Think about it more  
Since you at the curb, the curb  
Blowin' up my pager  
Say you want a chance, a chance  
Listen when I say  
Playa, please

You do or you don't, don't  
You will or you won't, won't  
No more  
No more, baby I'm a do right  
You can or you can't, can't  
Be a man, be a man, man  
No more  
No more, baby I'm a do right

No, I'm not the one  
(Baby, I'm a do right, do right)  
No, I'm not the one  
(Baby, I'm a do right, do right)

No, I'm not the one  
(Baby, I'm a do right, do right)  
No, I'm not the one  
(Baby, I'm a do right, do right)

I just wanna know  
What happened to our love  
We used to be best friends  
Where did it go wrong  
When you gonna see  
How good it is with me  
I'm tired and I'm through  
With all your "listen baby"

Listen what, playa chill now  
Tell me how you gon' cite me when I found out  
Honey gotta break it down, down  
I said it ain't no thing  
Girl, what's my name?  
Keelay, Keelay  
Look me in the face and tell me  
What the dealie, dealie  
Oh, you wanna go shade now  
But I'm paid now, I know that you hate that  
Oh, you got the one now, you warm now  
'Cause you thought you'd come right back, save that  
You could do whatever to me, and be together with me  
Like you do better than me (you do or you don't)  
No more, never for me

You do or you don't, don't  
You will or you won't, won't  
No more  
No more, baby I'm a do right  
You can or you can't, can't  
Be a man, be a man, man  
No more  
No more, baby I'm a do right

No, I'm not the one  
(Baby, I'm a do right, do right)  
No, I'm not the one  
(Baby, I'm a do right, do right)

No, I'm not the one  
(Baby, I'm a do right, do right)  
No, I'm not the one  
(Baby, I'm a do right, do right)

No, I'm not the one  
(Say it again, s-say it, say it again)  
No, I'm not the one  
(Say it again, s-say it, say it again)  
No, I'm not the one  
(I could do bad all by myself)  
No, I'm not the one  
(I'm not the one, the one)

You do or you don't, don't  
You will or you won't, won't  
No more  
No more, baby I'm a do right  
You can or you can't, can't  
Be a man, be a man, man  
No more  
No more, baby I'm a do right

You do or you don't, don't  
You will or you won't, won't  
No more  
No more, baby I'm a do right  
You can or you can't, can't  
Be a man, be a man, man  
No more  
No more, baby I'm a do right
