Weekend girl

Monday, tuesday, wensday, thursday, friday, saterday, sunday, i gatta get back to the day of monday

Monday till friday

You know that i stay in the classroom

Thinking about things that i did last chu

But yo i gatta stay foccused cuz every little dude

Yo i got them straight up in

something

The way that i'm rolling

I got everybody approachin wonderin how i keep it in
motion
But i'm still coasting Fronting like
You ain't notice me and Serena
Chillin At the Us open
Oh
Its friday
I'm setting the players now to hit the mall
Buy it all headed straight to my mans house
I know he stressing out
He wanna see his girl
But it's good cuz he knows that i'm a

Uh, and last but not least
something i think.. Simple Boy
You the reason
These chicks be seen
Tryin get even so
I know in the back of my mind
Its no bressin
For me to wile out and say i'm leavin
And if i do it's only for the weekend
Only for the moment
Promise there's no cheating
Just me and you taking over the game
You hold me down i'ma do you the same
I aint new to this thang
I'm just trying to make it last forever
Hand in hand
Grinding getting *Something* together
Lets do it boy
Roll with me
Bonnie and clide
But we aint hov & b
