Romeo (Parents Just Don't Understand)

Double That

*[Nick Cannon:]*

Peace Out

*[Lil' Romeo:]*

You know parents are the same no matter time nor  
place

They don't understand that us kids are gonna make  
some mistakes

So to you, all the kids all across the land

There's no need to argue, parents just don't  
understand

*[3lw:]*

Nah, Nah

They don't understand

They ain't gonna get it

No, no, if you feel me

feel me, feel me, feel me

*[Nick Cannon:]*

Peace Out

*[Lil' Romeo:]*

I remember one year

My mom took me school shopping

It was me, my brother, my mom, oh, my pop, and my  
little sister

All hopped in the car

We headed downtown to the Gallery Mall

My mom started bugging with the clothes she chose

I didn't say nothing at first

I just turned up my nose

She said, "What's wrong? This shirt cost \$50"

I said, "This shirt is whack and it's not worth this  
dollar!"

The next half hour was the same old thing  
My mother buying me clothes from 1993  
And then she lost her mind and did the ultimate  
I asked her for Asissant and she bought me Skips!  
I said, "Mom, what are you doing, you're ruining my rep"  
She said, "You're only a kid, you don't have a rep yet"  
So to you all the kids all across the land  
There's no need to argue  
Parents just don't understand

*[3/w:]*

*[Chorus]*

Nah, Nah  
They don't understand  
They ain't gonna get it  
No, no, if you feel me  
Holla all you kids all across the land  
Nah, Nah  
They don't understand  
They ain't gonna get it  
No, no, if you feel me

Holla all you kids all across the land

*[Nick Cannon & 3/w:]*

Peace out  
Oh-kay, here's the situation  
My mom's bounced out for a week's vacation and  
She left the keys to the 5 double-o  
Gee, mom  
Well, how's she gonna know  
I'll just give the Benz a little spin  
And see what it looks like with 20 inch rims  
Then I be the man in my neighborhood  
Well, maybe I shouldn't  
Yeah, of course I should  
Payin' attention, cuz the plot is hot  
Yo, I pulled the whip up to the end of my block  
That's when I saw this dime piece starin' at my grill  
My diamond rings glaring from the steering wheel  
Then she tried to pretend like she ain't noticed Nick  
So I blow a kiss like I know this chic  
She said, "Was that for me?"  
I said, "Yeah, you know it hun. Come take a ride with  
the young Billy B. William."  
She said, "How do I know you're not sick?  
You could be some kind of lunatic"  
"Uh, c'mon sugar, it's Nick for Nick, besides would a  
lunatic push a whip like this?"

*[Chorus]*

*[3lw & Nick Cannon:]*

I agree that we were on our way  
He was lookin real real good so we brought a Mustang  
Who's car is this?  
I'm a little curious  
So I smashed on the gas  
Fast and furious  
Wasn't impressed with the way he burned rubber  
The car phone rang  
"Yo, who is it?"  
"Your mother"  
On the phone wielin', the way my mom sounded  
There was no way to avoid being grounded  
I can't believe it  
I just made a mistake  
Well, parents are the same no matter time or place  
So to all you kids  
Across the land  
Take it from me  
Parents just don't understand

*[Chorus (Repeat to Fade)]*
