The Hit Maker, Little Women, y'all, Little Women, y'all
Them playas gon' play, them haters gonna hate
Them callers gonna call, them ballers gonna ball
Let 'em know

I, I don't mind what people say or do
But I, I do mind, what you believe is true
You are the only one getting all my love
'Coz what they do ain't nothin' new

Playas, they gon' play an' haters, they gonna hate
Ballers, they gon' ball, shot callers, they gonna call
That ain't got nothin' to do with me an' you
That's the way it is, that's the way it is

So-called friends don't wanna see me with you
Behind your back, callin' my cell an' pager too
No matter what they do, I will stay true
Only to you, only to you

Playas, they gon' play an' haters, they gonna hate
Ballers, they gon' ball, shot callers, they gonna call
That ain't got nothin' to do with me an' you
That's the way it is, that's the way it is

Playas, they gon' play an' haters, they gonna hate
Ballers, they gon' ball, shot callers, they gonna call
That ain't got nothin' to do with me an' you
That's the way it is, that's the way it is

I want you to know, I'll never let you go
We gotta talk about everything you hear
'Coz I know that it ain't true
You can trust my love an' I can trust yours too
Our love will be forever

9 Lives, Little Women, they gon' ball, shorty
They gon' play, shorty, that's how they do, shorty
We comin' through, shorty, The Hit Maker, shorty
Playas gon' play

Playas, they gon' play an' haters, they gonna hate

Ballers, they gon' ball, shot callers, they gonna call
That ain't got nothin' to do with me an' you
That's the way it is, that's the way it is

Playas, they gon' play an' haters, they gonna hate
Ballers, they gon' ball, shot callers, they gonna call
That ain't got nothin' to do with me an' you
That's the way it is, that's the way it is

Playas, they gon' play an' haters, they gonna hate
Ballers, they gon' ball, shot callers, they gonna call
That ain't got nothin' to do with me an' you
That's the way it is, that's the way it is

Playas gon' play, haters gonna hate
That's the way it is, that's just how it's been
Playas, Little Women, y'all an' haters, 9 Lives, y'all
Playas, The Hit Maker, y'all an' haters

Playas gon' play, haters gonna hate
Ballers gon' ball an' callers gonna call
Little Women, y'all, 9 Lives, y'all
The Hit Maker, y'all, it's how we do it
