Boy you know  
You got me really feelin' you  
I don't know what you doing to me  
But keep it up, keep it up  
What you doing to me  
Boy you know  
You got me really feelin' you  
I don't know what you doing to me  
But keep it up, keep it up  
What you doing to me

I see him almost every day  
I wonder if he has a girl  
But it really don't matter to me  
Cause I've been waiting all this time  
Waiting for the day when i can finally make him mine!  
He's mine, he's mine  
All mine so fine, in due time  
I'll be rollin' with him shotgun  
Listening to him tell me baby you're the one, yeah

[1] - Tell me is you feelin' me?  
I like what you do  
Hope you can feel me like I feel you  
Boy you know you really got me going crazy  
Forget about them other girls  
Come and get with me

[Repeat 1]

Now baby tell me what's the deal  
Put the games aside  
I'm just tryna keep it real  
Ready to put in work on a relationship  
Trying to end this love search  
You're the one for me  
Can't you see baby  
I ain't trying to sing a little episode  
I just want you body, mind, and soul

[Repeat 1(2x)]

All the guys I could have  
But I'm checkin' for you  
So don't let me slip away  
You ain't never had good love  
Till you had some of my love  
So I'm hoping that you're feelin' me  
Like I'm feelin' you, oh

Tell me is you feelin' me  
Want you to be feelin' me  
I hope that you feelin' me  
Baby is you feelin' me  
Want you to be feelin' me  
I hope that you feelin' me  
Baby is you feelin' me  
Tell me that you feelin' me  
Uh-huh, uh-huh
