Because if you win other way, you go fight again

If rasta win, den no more war

Hear the words of the rasta man say

Babylon your throne gone down, gone down

(Busta Rhymes)

And it goes like that what you talkin about

What you talkin about, what you talkin about

Yeah, yeah, what you talkin about

(Bob Marley)

Did I hear the words of the higher man say

Babylon your throne gone down, gone down

Babylon your throne gone down

Did I hear the angel wit the seven seals

Babylon your throne gone down, gone down

Babylon your throne gone down

(Busta Rhymes)

I hold my glass up high, and I toast to the most high
Since my B-day up to this day is close by
Watchin over me, while Babylon scopin me
From my mother's womb they took my mind started
mouldin me
Like Mookie on the crock I heard the devil callin me
By the powers of Ja, he took the devils off of me
I can see clearly now, I'm stepping with authority
God blessed you, I got the whole world supportin me
Ja, is my friend different from the enemy them
I talks to him shoutin out lookin up to heaven
Gave me a call he said I want you tell them all
That you shall witness when Babylon fall
All you shall witness when Babylon fall
All you shall witness when Bablyon fall

(Busta Rhymes)

The truth, the undisputed Flipmode Squad
