Be like that  
why can't we, you and me, we just  
Be like that  
more than friends more than we ever been  
Be like that  
stop

[verse 1:]  
been feelin these feelins since we've been rulen i wont  
lie  
caught up and could as and should as bleed all of my  
pride  
keep bumpin heads in the moment be there i wont  
blush  
can't keep this secret much longer when it's you that i  
want  
can't keep my  
eyes off ya  
can't keep my  
mind off ya  
i can't keep this love all to myself  
can this  
be right  
can it be  
all night  
tell me what you wanna do cuz i'm tryin to get with you

[chorus:]  
be like that  
why can't we, you and me, we just  
Be like that  
more than friends more than we've ever been  
Be like that  
stop the shiness the frontin it's all about lovin you  
be like that,  
why can't we, you and me, be like that

[verse 2:]  
you act like you don't know  
what's goin' on  
thinkin' of the girl could be it cuz that's where you're  
wrong

it's me, it's me,  
oh it's always been me  
i've been feelin' you from the door,  
i just want us to be more,  
can't keep my  
eyes off ya  
can't keep my  
mind off ya  
i can't keep this love all to myself  
can this  
be right  
can it be  
all night  
tell me what you wanna do cuz i'm tryin to get with you

[chorus x2]

[hook:]  
baby you're wrong, for comin' on so strong,  
but the love we had is friends that really grow,  
everything i could want you to bring to my life,  
happiness, peacefulness, joyfulness,
