[Intro]

Hey (yeah)

Ehh (what)

Hey, yeah yeah

C'mon (c'mon)

(Here we go)

Everyday I see you

With some girlfriend, yeah

You think I could care less

About it (care less about it)

I could keep it secret

Keep playing pretend, oh

But the way I feel you, I doubt it

No more waiting, hesitating

It's gauranteed

[1] - I'm gonna make you miss me

You're gonna wanna kiss me

I'm gonna make you miss me

All of the time

Boy you wanna get with me

You know you can't resist me

I'm gonna make you miss me

'Til you are mine

(Verse two, check it out)

You're about to find out

I get what I want

Once I've made up my mind

(Made up my mind, oh)

Gonna let you see me

Turning it on

That'll make you open your eyes

Your eyes

You'll be callin

You'll be falling

Passionately, cuz

[Repeat 1]

'Til you are mine
You've gotta know that something's up
I'll show you how I could love you
I'll turn it on (I'll turn it on)
Then I'll be gone (then I'll be gone)
But only 'til you come through
And feel the way that I do, oh

I'm gonna make you love me baby (yeah, yeah)
I wanna hear you call my name (say again, say again)
Not gonna stop until you say it (say it)
All of the... (time)

I'm gonna make you love me baby (what, what)
I wanna hear you call my name (Keelay)
Not gonna stop until you say it (uh)
All of the time

[Repeat 1]

[Repeat 1]
