[1] - I can tell that you're feelin' me  
And from the corner of my eye  
I see you checkin' me  
But boy you better take it slow  
Cuz you can't pass go, 'til I say so

[Repeat 1]

When you made your move  
I knew it was on  
Tried to turn me out  
With your looks and charm  
Guess you thought that  
You had this one won  
You guessed it wrong  
Cuz the game just begun

[2] - Do I look like I was born yesterday?  
Better find another girl to play  
I must admit your game was kinda slick  
This time you met your match, I'm up on it

[Repeat 1]

[Repeat 1]

Wanna take some time  
And feel things out  
Stakes are high  
And I got some doubts  
Pressure's on  
Things are touch and go  
Should I raise it boy?  
Or should I lay low?

[Repeat 2]

[Repeat 1]

[Repeat 1]

[Rap]

Yo baby, you dangerous  
You and your crew wanna hang with us?

Maybe, but you be actin' so shady  
You done picked the wrong ladies  
It's Kiely, T and A.G.  
Baby, you feelin' that? (uh-huh)  
You wanna bring it back? (uh-huh)  
You ain't gettin' that  
I'm sayin' though, no gettin close 'til I say so  
Take a step back yo lay low  
Little Women get them pesos, and stayed yo, whoa  
You don't know? Now you do  
I'm tellin' you to stand off  
I'm sorry, cut your plans off  
Look all you want but hands off, uh

[Repeat 1 to fade]
