Yeaa yeaa

I met him last night  
Me and my man just had a fight  
Went to a party, and god something aint right  
Thats when I saw this man in all white  
(Uh oh, uh oh)  
Body like woah, looked my eyes said, what you wanna  
do  
He pulled me in close and put his lips on mine  
That's when my man came in from behind

[Chorus] Uh oh, My man done seen me with another,  
thug yo  
I think I'm in a little bit of trouble  
He caught me red handed, and I don't know  
What I'm gonna do, I got caught up  
In the moment, and I neva thought of  
What would happen, if he ever saw us  
But he did, and I, and I dont know what to do

Stormed out upset,  
It wasn't my fault, but I look suspect  
Cause dude was all up on me like that  
My man neva shoulda saw me like that  
So I told oh boy, I'll be right back  
I'm lookin for my man, but just like that  
He was gone, and ain't never come back  
And there aint nothing I can say that  
That'll make him understand

[Chorus]

[Rap N.O.R.E.]  
Oh its just a sign, going straight back  
All the shit I did for you way back  
Breakin my stacks in half  
We would smoke stacks and laugh  
Now you behind my back with another cat, you at  
How you gon' do me like that  
I wouldn't have been steady, if i knew you was hoein  
around

And all this time I thought my boo, was really holdin it  
down,  
It's over wit now  
I ain't even knowin you now  
Ask u new friend, why you mad at N.O.R.E now, I'm out.

[Chorus]
