Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Born is a baby, gentle as may be  
So-on of the eternal, Father supernal

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Seraph quire singeth, angel bell ringeth  
Har-ark how-ow they rhyme it, time it and chime it

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Mid earth rejoices hearing such voices  
Ne'ertofores so well carolling Nowell

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Hind o'er the pearly dewy lawn early  
Seek the hi-i-igh Stranger laid in a manger

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Cheese from thy dairy, bring it for Mary  
A-and not for money, butter and honey

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Light out the star-land leadeth from far land  
Princes to meet him, worship and greet him

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Myrrh from full coffer, incense they offer  
Nor-or is the golden nugget withholden

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all

Thus they I pray you, up sirs nor stay you  
'Till ye-ee confess him, likewise and bless him

Past three o'clock and a co-old frosty morning  
Past three o'clock, good morrow masters all...
