Everytime I look around
these niggaz tryna' down me
but they act like hoes
they come around me
talkin' 'bout what's up P
on a niggaz dick
I treat them jealous ass niggaz
like a jealous bitch
them niggaz talk mo' shit
than them hoes do
instead of actin' like
a nigga supposed to
supposed to be my fried
but 'stead they talk behind my back
say my shit it the bomb
but when I leave it's wack
It's fucked up how these niggaz
try to front me
if it wasn't fa' me
this shit would be
country
I put the Ville
on the muthaphukkin map
since a nigga made a tape
now every nigga wants to rap
them niggaz ought to thank me
and give me my props
cause they hate to see
a young nigga
reach the top
I'm the nigga in charge
rollin' in six-fo'
big dope deala' was a hit
in the nine-fo'

CHORUS:

Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me

Why these niggaz keep fuckin' wit' me

Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
just leave me alone just leave me alone

Somebody said this
is all a nigga hear
they said ninety-fo'
was a fucked up year
shit was kinda fun
when it first began
but when a nigga
reached fame
I lost my friends
niggaz got jealous
said I fucked they bitch
put salt on my name
sayin' I ain't got shit
so fuck what them nigga hoes say
they can't stop me
they talk mo' shit
but 'stead of mo' jockin' me
so why these niggaz
can't leave me alone
just leave me alone
until I'm dead and gone
so why you fuck wit' me
I don't fuck wit' you
cause I don't give a fuck
about what you do
when a nigga was broke
you payed me no mind
now I hear them niggaz
talk about me
all the time
so keep my muthaphukkin name nigga
out yo' mouth
and don't talk about a nigga
you don't know about
cause bitch you don't know me
and I don't know you
so quit fuckin' wit' me
cause I ain't fuckin' wit' you

Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me

Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
just leave me alone just leave me alone

niggaz got hot
when I signed to a
major label
now I'm puttin' out hits
on Street Flava
cause when I
first came out
with the fullest
number one record
Hittin' Like a Bullet
when I blew up
shit didn't stop
Rude Awakening was fallen
and Boogie was shot
Poppa J came out
with 3 Hots in a Cop
it goes on and on
and it just don't stop
we're makin' hits after hits
and them jealous muthaphukkas
wanna ride on 'dis
but when we blew up
'dem niggaz felt
silly do'
worse than them hoes
tryna' get in the video
they kept sayin' that
my peoples was fuckin' me
but 'stead mo' tryna
sign wit' da company
wit' 'dem wack ass raps
wit' the fucked up beats
but they're the
same muthaphukkaz
that fuck wit' me
cause makin' hits
ain't hard to do
you was fuckin' wit' me
so now
I'm fuckin' wit' you

Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me

Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
Why these niggaz keep fuckin' wit' me
just leave me alone just leave me alone
