Smooch! Smooch! Smooch! Smooch Smooch!  
Summer Pa~rty  
Smooch! Smooch! I'm hoping for something!  
Smooch!

Going out early in the morning  
to the blue sea in a group of friends  
YES! MY LOVE!  
ride back home the same day

(Fu~n)

Smooch! Smooch! Smooch! Smooch Smooch!  
Summer Pa~rty  
Smooch! Smooch! I'm hoping for something!  
Smooch!

lucky to have good weather  
the seaside shoppes too, make for a nice atmosphere.  
I LOVE YOU!  
for lunch Barbeque  
unrequitted love hurts but,  
today i'll be with him.  
wear a pretty swimsuit  
the battle's on! it's on! it's on!  
Party Party!

The summer sea is romantic  
For some reason a girl's heart is bold!  
The summer sea is like a faery tale!  
but you know, my heart aches.

Smooch! Smooch! Smooch! Smooch Smooch!  
Summer Pa~rty  
Smooch! Smooch! I'm hoping for something!  
Smooch!

My eyes meet the boy I like only some of the times.  
Oh My God! he smiled at some other girl!  
I can't be bummed about it,  
eagerly cooking barbecue

I'll show him my cooking skills!  
the battle's on! it's on! it's on!  
Party Party!  
The summer sea is romantic!  
for some reason a girl's heart balloons up  
The summer sea is like a faery tale!  
for some reason sometimes the sea is mean.
