Dirty mind, dirty mind, d-d-d-d-dirty mind  
Dirty mind, dirty mind, d-d-d-d-dirty mind

I tried to leave the house but she won't let me out  
Deadbolts lock got me strapped to the couch  
She's got a dirtier mind than my mouth  
I hate to say the more you f\*ck the better for your  
health

She wants me at the party, she wants me at the mall  
She wants me in the bathroom stall  
She wants me at the party, she wants me at the mall  
She wants me in the bathroom stall

Hey you, I know what you gonna do  
I wanna be the person that you do it to  
Hey you, I wanna be the person you do, you do, you do,  
you do

Hey you, I know what you gonna do  
I wanna be the person that you do it to  
Hey you, I wanna be the person you do, you do, you do,  
you do

Dirty mind, dirty mind, d-d-d-d-dirty mind  
Dirty mind, dirty mind  
She just wants to f\*ck me all the time  
Time, time, all the time [x3]  
She just wants to f\*ck me all the time

Of course I'm not mad about too much sex  
I'm mad because I gotta be at home by six  
Just because you learned a new posi-tion  
F\*ck it, let's do it in the kitchen

She wants me at the party, she wants me at the mall  
She wants me in the bathroom stall  
She wants me at the party, she wants me at the mall  
She wants me in the bathroom stall

Hey you, I know what you gonna do

I wanna be the person that you do it to  
Hey you, I wanna be the person you do, you do, you do,  
you do

Hey you, I know what you gonna do  
I wanna be the person that you do it to  
Hey you, I wanna be the person you do, you do, you do,  
you do

Dirty mind, dirty mind, d-d-d-d-dirty mind  
Dirty mind, dirty mind  
She just wants to f\*ck me all the time  
Dirty mind, dirty mind, d-d-d-d-dirty mind  
Dirty mind, dirty mind  
She just wants to f\*ck me all the time  
Time, time, all the time [3x]  
She just wants to f\*ck me all the time

D-d-dirty, dirty, dirty  
Dirty, dirty mind  
Dirty, dirty, dirty  
Dirty, dirty mind mind mind mind...

Dirty mind, dirty mind, d-d-d-d-dirty mind  
Dirty mind, dirty mind  
She just wants to f\*ck me all the time  
Dirty mind, dirty mind, d-d-d-d-dirty mind  
Dirty mind, dirty mind  
She just wants to f\*ck me all the time time time
