Turn the lights down low
And let the DJ go
Until the speakers blow
Stay up till the break of dawn!

Take a sip of Jack
You need a sip of that
There ain't no turning back

[Chorus]
Hey! I don't care
I don't care
Whenever there's a party
I'm the first one with a drink in the air
Put em up, put em up!
We can share
Yeah!
Cause when we finish this one
There will be another bottle right here!

Heeeeeey [8x]

When the basses low
You work it nice and slow
You let your body go
Shake it till the break of dawn!

You can take a shot
Of anything they got
They tryin' to table top
But

[Chorus]
Hey! I don't care
I don't care
Whenever there's a party
I'm the first one with a drink in the air
Put em up, put em up!
We can share
Yeah!
Cause when we finish this one

There will be another bottle right here!

Heeeeeey [8x]

We don't want this night to end

We wont sleep

That we'll do it again
