[Verse 1:]

It's already late in the evening
Time to join the party
I know she's there waitin' for a king
Waitin' for him
she's dancing
Girl be ready
I'm comin'
I'm determined to make you mine

[Verse 2:]

Girl tonight
You'll be satisfied
For the night
I'll be by your side
You and I moving to the sound
With a smile on your lips
you're teasin' me
you're worth the trip

[Chorus:]

How can it be (oh lady)
Can this be real (can it be)
Can't believe how much I feel for you
Get with me
How can it be (oh lady)
Tell me it's real
This feeling inside of me
Baby get with me
Get with me

[Verse 3:]

Please gimme a clue
Just gimme a clue that you want me too babe
I'm kneeling for you to be your man (your man)
See I'm not playin' a game
One love and one aim
I'm determined to make you mine

[Verse 4:]

Girl tonight
Just gimme a try

For the night
Let me be your guy
Tell me why
I'm drowning in your eyes
With a smile on your lips
you're teasin' me
you're worth the trip

[Chorus:]
How can it be (oh lady)
Can this be real (can it be)
Can't believe how much I feel for you
Get with me
How can it be (oh lady)
Tell me it's real
This feeling inside of me
Baby get with me, Get with me
