VERSE 1

She stopped me in the doorway
She kissed me on the lips
I don't even know her
That's just the way it is
Then she touched my hands
Told me I should be her man
T-t-to show her how to dance
This is my one and only chance
And that's just romance

CHORUS

No I don't wanna be
The guy to see you go
And I don't wanna leave
If you don't take me home
I don't want to see you
Walk away from me
I got everything that you could ever need
No I don't wanna beeee
The guy to see you goooo

VERSE 2

Now I'm seeing double
I'm leaning on a pool cue
I'm aiming for that black ball
Cuz' tonight there ain't no last call
Pour me a pitcher of the cheap stuff
To chase a taste of these cheap shots
Turn it up on the jukebox
I don't wanna have to talk

CHORUS

VERSE 3

Cuz' I don't want
To see you leave
I grab my coat
And you grab your keys
We're all alone
I find your lips

Take me home
For a goodnight kiss
(2x)

CHORUS

Go go go go!
(3x)
