Oooo, are you any ways I can count
How many days you weren't here
The walls were closing in on me
But I don't live in there no more, no more

There's a place in my head
That repeats what you said
That repeats what you said that day
You're afraid the mistakes that you made
Dug your grave
But Baby that's the price you pay

So don't shut down
This town ain't big enough for both of us, oh
Ooo

And now I found you'll never get enough from me
So baby I'mma set you free I'mma set you free
Free, free, free

Oooo, are you any ways I can count
How many days you weren't here
The walls are closing in on me
But I don't live in there no more, no more

Oooo, are you any ways I can count
How many days you weren't here
The walls are closing in on me (closing in)
But I don't live in there no more, no more

I've been try to relate you
All the things that make you
Act the crazy ways you do (you do)
But that would take patience

And headaches to make sense
Some things you put me through
So don't shut down
This town ain't big enough for both of us

Ooo

And now I found you'll never get enough from me
So baby I'mma set you free I'mma set you free
Free, free, free

Oooo, are you any ways I can count
How many days you weren't here
The walls are closing in on me
But I don't live in there no more, no more

Oooo, are you any ways I can count
How many days you weren't here
The walls are closing in on me (closing in)
But I don't live in there no more, no more

All the pictures and the windows
On the wall all closing on me
I thought that you were supposed to learn
From what went wrong in history

So you keep doing everything you can
And you'll never get that to me
I bet you remember the day
You were better
As soon as we severed and
Then when you were free (2x)

Oooo, are you any ways I can count
How many days you weren't here
The walls are closing in on me
But I don't live in there no more, no more

Oooo, are you any ways I can count
How many days you weren't here
The walls are closing in on me (closing in)
But I don't live in there no more, no more (2x)
Sn'tOoooooooooooo (4x)
